Understand your Medicare options

ORIGINAL MEDICARE:

Watch for the gaps.

Medicare **Part A** is hospital coverage and **Part B** is medical coverage. Together, Part A and Part B are called Original Medicare.

If you choose this option as your only insurance, you have to cover certain costs before Medicare pays anything.

IMPORTANT! Medicare only covers about 80% of your medical costs. **You could spend thousands in unexpected medical costs** because Original Medicare has no maximum annual out-of-pocket expense limit.

MEDICARE SUPPLEMENT PLANS:

Cover some gaps, but still leave holes.

Medicare Supplements cover some of the out-of-pocket costs that Original Medicare doesn't, like your Part A and Part B deductibles.

But these plans can have **high monthly premiums**, and they don't include essential benefits like prescription drug coverage. (You'd still need to enroll in Medicare Part D for drug coverage.)

Original Medicare and Medicare Supplement plans may NOT cover:

- ⊘ **PRESCRIPTION DRUGS**
- ⊘ **VISION**
- ⊘ **DENTAL**
- ⊘ **HEARING AIDS**

MEDICARE ADVANTAGE PLANS:

Get more with an all-in-one Peak Advantage Medicare plan.

Medicare Advantage plans (known as Medicare Part C), cover everything that Medicare Part A and Part B cover, and more. They have a maximum annual out-of-pocket health care expense limit so you won't face paying thousands in unexpected medical expenses.

Better Medicare starts with better benefits from Peak Advantage plans, including:

- ✓ Prescription drugs
- ✓ Dental, vision, and hearing
- ✓ Flexible Spending Card
- ✓ Over-the-Counter (OTC) annual allowance
- ✓ And more

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Services representative at 1-855-962-7325.

Understanding the Benefits

- ☐ The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit medicare.peakhealth.org or call 1-855-962-7325 to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non- contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.

Verify Your Eligibility

In order to join Peak Advantage Vista (PPO) or Peak Advantage Summit (PPO) you must:

- ☐ Have both Medicare Part A and B
- ☐ Be a U.S. citizen or lawfully present in the country
- ☐ Continue to pay your Medicare Part B premium
- ☐ Live in the Pennsylvania counties of Fayette, Greene.

Paying your plan premiums

You can pay your monthly plan premium (including any late enrollment penalty that you currently have or may owe) by check/mail, automatic payments from your bank account, or by credit/debit card each month. You can also choose to pay your premium by having it automatically taken out of your Social Security or Railroad Retirement Board (RRB) benefit each month.

If you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium. The amount is usually taken out of your Social Security benefit, or you may get a bill from Medicare or the RRB. DON'T pay Peak Health the Part D-IRMAA.

☐ Option A: Pay by check/mail, automatic payments from your bank account, or by credit/debit card
Upon confirmation of enrollment, Peak Advantage will provide instructions on how to elect the preferred method of payment within this option. Instructions will also be included in the Evidence of Coverage (EOC).

☐ Option B: Have your plan premium automatically taken out of your Social Security or Railroad Retirement Board (RRB) benefit
Upon confirmation of enrollment, Peak Advantage will initiate this payment election on the enrollee's behalf. No further action is needed unless contacted by a Plan Representative.
(The Social Security/RRB deduction may take two or more months to begin after Social Security or the RRB approves the deduction. Please pay any premium bills prior to your Social Security/Railroad Retirement Board deduction effective date. In most cases, if Social Security/the RRB accepts your request for automatic deduction, the first deduction from your Social Security/RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security/the RRB doesn't approve your request for automatic deduction, we'll send you a paper bill for your monthly premiums.)

You have the option to change your payment preference at any time by contacting Peak Advantage at 1-855-962-7325 if you need information in an accessible format other than what's listed above. Our office hours are 10/1-3/31 8am-8pm ET, 7 days a week. 4/1-9/30 Monday - Friday from 8am-8pm ET. TTY users can call 711.
